PASTOR TOM'S "LITTLE CORNER OF HOGE"

JANUARY 2021

Picture this scene: A man in the middle of the woods of northern Saskatchewan, Canada found himself in a pickle.....hundreds of people along the shore of Wollaston Lake had a huge power outage for almost 30 hours. The temperature was frigid-cold, power was out and no one knew why. No one except this one man – This outdoorsman had overturned his boat on a bank of Wollaston Lake, the man, just visiting, had paddled up from a nearby river when bad weather trapped him between ice-flows, stranding him. He hunkered down underneath his boat on the shore, and had survived for several days between the frozen lake and the impassable forest. After several days without food, water, or proper shelter, his time to live was running out, and so were his ideas on how to survive this calamity. Waiting for the ice to melt was not an option, and wandering through the forest in the frigid-cold wouldn't work, and no one was coming to look for him....He had no phone, no equipment to make a fire, and no way to send S.O.S. signals. All he had was himself, the boat, a paddle, and an ax.....In desperation and deep thought, he finally had an idea – He found the nearest power-pole and chopped it down, hoping it would take the power down in the nearest, although distant town, forcing the power company to come to investigate.....He sheltered under his boat and waited. Within 24 hours, the electrical company, SaskPower, chartered a helicopter to investigate the outage. The team found the power-pole, and the stranded outdoorsman. Bruce Zawalsky, the founder of Canada's Boreal Wilderness Institute for outdoor education was impressed....."Improvisation saved this man's life, and that's a wondrous thing – It's pretty desolate up there, power lines stretch across impassable lakes and rivers.....trees are up to 50 feet tall, and he could've walked for miles before finding help." This is a true story, and it paints a clear picture of the importance of what we think about.....There are opportunities and solutions to every difficulty in life – This is true about your health, wealth, relationships, marriage, spiritual faith, COVID 19 virus, the economy, political turmoil, etc....The first 3 words in "As a man thinketh" by David Allen says, "Thoughts are things.....what you think about comes about." An empty field doesn't care if you plant grass or crops – If you plant grass, it brings you grass. If you plant crops, it brings you crops. And, if you plant nothing, you get worthless weeds.....Your mind is the same way – It doesn't care if you plant negativity, positivity, or nothing – If you plant negativity, it brings you negativity and doom – If you plant positivity, it brings you positivity and possibility – And if you plant nothing, you become nothing and go with whatever way the wind blows, which certainly won't bring you to where you want to be....Earl Nightengale, was an American speaker and author, and he authored the book, "The Strangest Secret", which is one of the greatest motivational books of all time....In this book, Nightengale claims we become what we think about.....and I have to agree. This year of 2020 has thrown us many different circumstances, and these circumstances have given us many opportunities – To grow, to think, to change.....What difficulty are you going through right now, and more importantly, what are your dominant thoughts about it? If your thoughts are "Woe is me!" then your life will bring you many things to woe about. I encourage you to take some time to think about where the opportunity is that you can explore and take advantage of.....Remember, pain is the touch-stone for growth – The only time we are comfortable in life is when we are coasting.....and the only direction you can coast is downhill. Everything you want and treasure is uphill.....I strive every day to find things that force me to grow....They are all uncomfortable, and this year of 2020 has been a massive season of growth for me! I've made so many changes – that it's simply unreal, and none have been easy – But the good news is the Pastor Tom of January 2020 is unrecognizable now! This year of COVID 19 has given me such opportunities of growth, and I hope I've taken some of these and grown in my faith to Jesus Christ, and our fellowship here at Hoge Memorial Presbyterian Church! May 2021 be a year of continued growth for you and I and our special fellowship here at Hoge! Looking forward to seeing you in church! May God bless you and keep you during this New Year!

In Christ,

Pastor Tom

Fall Sale 2021 – Yes, No, Maybe so?

We did not hold the fall sale in 2020 because of the pandemic. Will we hold a fall sale in 2021? No decision has been made at this time. Once we know that holding it is a healthy option, then we will move ahead with the planning. There needs to be enough people willing to sort and price as well as work the sale. I'll keep you posted.

Care Pantry Needs-As part of Hoge's ministry and outreach, a Personal Pantry is part of our HM3 program. The pantry is open to the public on the second Saturday of each month. Donations of personal care items are always accepted for the pantry but the following items are currently in high need: Chap Stick / Lip Balm, Personal hygiene Wipes, Stick deodorant, Toilet Paper, Please see Bev and Jack Neil or Kathy and Barry Schifferstein for additional information. Cowboy Bucks Program for West High School Students-Cowboy Bucks Program: The Westside Urban Ministry prepared 280 gift bags for West High School students whom have been actively involved with school during this past year. Students are struggling to stay engaged with classes and activities due to structure changes resulting from the impact of the corona virus. The gift bags are a way of reminding students that all has not been canceled, encouraging them not to give up and to continue looking towards the future with hope and faith. Funding for this program was made possible via several PSV churches and a 2020 West High School Cowboy Buck's Holiday Store "Go Fund Me" page organized by Natalie Alter. Hoge members and various West High alumni are among these supporters. WUM worked with WHS staff to personally distribute the bags to students. Thank you for support of this outreach program.

Updates and Reminders

Recycling Memory - January 2021

For many years Bob Bukey picked up aluminum beverage cans in his neighborhood and brought them to the church to be recycled. Eventually he brought so many large trash bags of cans that they took up significant space in the boiler room. In order to alleviate this problem, I started driving to his house most Saturday mornings to pick up the cans in Tony and I's truck and drive them directly to Cyclemet.

Bob was a quiet person who said very little when I was there. One winter Saturday, I commented on how cold it was. The temperature was in the low teens. He told me he didn't think it was cold because he was in Alaska when he was in the service. Later that winter I was there and it was not even zero. I did not comment on the weather. As I was about to leave Bob looked at me, smiled and said, "Donna, it's cold." I said I would have to agree! Donna Swaneck

Happy Birthday- January

Kids and Funny Comments. A Sunday School teacher asked her class why Joseph and Mary took Jesus with them to Jerusalem. A small child replied: "They couldn't get a baby-sitter."; A very dirty little fellow came in from playing in the yard and asked his mother, "Who am I? " Ready to play the game she said, "I don't know! Who are you?" WOW!" cried the child. "Mrs. Johnson was right! She said I was so dirty, my own mother wouldn't recognize me!"; A wise schoolteacher sends this note to all parents on the first day of school: "If you promise not to believe everything your child says happens at school, I'll promise not to believe everything he says happens at home; Adam and Eve had an ideal marriage. He didn't have to hear about all the men she could have married, and she didn't have to hear about the way his mother cooked; A police recruit was asked during the exam, "What would you do if you had to arrest your own mother?" He said, "Call for backup."

Dear West High student – Not everything is cancelled...**Sun** is not cancelled, **Spring** is not cancelled, **Relationships** are not cancelled, **Love** is not cancelled, **Reading** is not cancelled, **Devotion** is not cancelled, **Music** is not cancelled, **Imagination** is not cancelled, **Kindness** is not cancelled, **Conversations** are not cancelled, **Hope** is not cancelled, And **God's love** for HIS people **is never cancelled. Please know that we send you these gifts, along with our love and prayers, to encourage you to stay in school!** From the Westside Urban Ministry, Outreach of the Presbyterian Churches of Scioto Valley

<p>Epiphany is a Christian holiday primarily commemorating the Magi's visit to the baby Jesus and the baptism of Jesus by John the Baptist. Eastern traditions, which usually call the holiday Theophany, focus on Jesus' baptism, seen as the manifestation of Christ as both fully human and fully divine. Western traditions focus on the Magi's visit, seen as the first manifestation of Christ as saviour of Gentiles as well as Jews. Epiphany is among the church's oldest and most important feasts.</p>		<p>1 6:00pm AA Meeting</p> 	<p>2 5:00pm HM³-Robin 6:00pm AA</p>
